

LEGACY GIVING

Investing in Your Community's Future

I recently added a bequest to the Peninsula Symphony to my will, as have other supporters of the Symphony. I would like to invite you to join us in taking this step to insure that great music will thrive for the benefit of everyone on the San Francisco Peninsula for many years to come.

Providing for our families is, of course, the primary concern of all of us. But also please consider the sort of community in which they will live.

The Peninsula Symphony is the major provider of great music to the region between San Francisco and San Jose. In addition to the subscription concert series, the Symphony provides a wide range of exciting musical events at underserved schools throughout the area and outreach to community centers, senior centers, and libraries. Help us guarantee that this legacy will be available to our community for our posterity.

Thank you for considering a Legacy Gift

With deep appreciation,
Mitchell Sardou Klein, Music Director
